Walking Holidays & Baggage Couriers

Pennine Way/Dales Way/Cumbria Way/Northern England

Welcome to Brigantes Accommodation & Baggage Couriers Service

Brigantes 'Walking Holidays' and 'Baggage Couriers' has been used and appreciated by hundreds of walkers and cyclists for over 18 years, throughout the north of England - the ancient homeland of the Brigantes, the British tribes who occupied the north of England in Roman times.

We pride ourselves on being known for our reliability and dedication. As a family operated company, based in the north, we have unsurpassed knowledge of the area in which we operate daily throughout the Derbyshire, Yorkshire, Cumbria, North York Moors and the Northumberland National Parks.

Walking Holidays

Brigantes provide package walking holidays throughout these National Parks, which also includes high quality accommodation, daily baggage transfers, and various interesting activities en-route.

All the walks can be done at a pace to suit your needs in terms of time or walking ability, and you can be assured that your accommodation has been especially selected by us to ensure the highest quality.

The support which we provide allows you to concentrate on successfully completing and enjoying walks with no hassle, ending each day with some degree of home comfort.

We can organise everything for you with accommodation in selected Bed & Breakfast establishments, or hostels and negotiate discounts on your behalf, so that all you have to do is to enjoy your walk and the scenery of the five National Parks in which we operate.

In addition we have available secure parking in Kirkby Malham. Giving you complete peace of mind.

Baggage Couriers

You don't have to book a walking holiday to take advantage of our baggage courier service. The daily transportation of your baggage along your route from door-to-door, means you will only need to carry a small bag containing your daily requisites.

If you wish, at the end of your walk, we can return you by minibus to an agreed railway / bus terminal, car park or to your chosen accommodation.
